# The Worst Birthday Party Ever

👁 8 ✓ 0 ★ 1

## Chapter 1 by \*-\*

Do you know how people always say, "That was the best birthday party ever!" Well i hoped people would say the same thing about my birthday party, but instead it just turned out to be a big epic fail. Let me tell you how it went. When i first woke up on the day for my birthday party I saw everyone getting everything ready for my party. I came downstairs to tell my mom why she was getting stuff ready so early. The party wasn't until like 6 hours. She told me it was because we were going to be busy today, so we might as well get everything ready. This is how everything started.
